

One Body, Many Parts

21 August 2014

Dear Friend,

I extend summer greetings to you from all of us at FaithSearch. We are gearing up for an exciting fall season of ministry. This season we graciously give "thanks" to you who believe in our Kingdom contribution as cutting edge worldview presenters.

We are a unique, evidence-based gifting to the body of Christ; one which challenges skeptics to faith through evangelistic outreach events. We are encouraged by Paul's affirmation of our calling to this mission, and for how the Lord sustains us according to His plan: "But in fact God has placed the parts in the body, every one of them, just as He wanted them to be" (1 Corinthians 12:18).

Will you help us? Since the conclusion of our 35th Anniversary Benefit Dinner, we have been eager to discover the NEW net-breaking ministry opportunities to which the Lord will lead us in 2014-15 (cf. Luke 5:5).

The unique, evidence-based ministry of FaithSearch reaches around the world. In July, Oleg presented the Gospel with evidence at a city center outreach event in Krasnoyarsk, the third largest city in Siberia.

The Next Net-Breaking Discovery??

We believe YOU are a key partner in helping FaithSearch move into new territory, while still maintaining our current fruit production in key church partnerships. Your fervent prayer and sacrificial financial support are needed in order to move us where God wants us to go. You may also provide a key contact with a like-minded church leader who may benefit from our services. Why am I so excited? Let me share some of what God is doing so you can celebrate with us.

- 1. LIFE CHANGE: More than 265 individuals recorded a faith commitment to follow Jesus Christ in the last fiscal year at our 94 outreach events, attended by over 12,000 people. Most recently, Dr. Don shared with hundreds of guests in Binghamton, NY, where ten churches partnered together for community impact.
2. INTERNATIONAL INTRIGUE: The Lord continues to empower us to move through open doors in our Russia and India ministries, despite trials and chaos in the world arena. We are also in touch with representatives interested in seeing the Gospel with evidence move into Bulgaria, France, Canada, and Slovakia.
3. MARKETING: We are planing a new Web site for easier online giving and to increase our exposure to churches and other partner ministries so we will NO LONGER be the best kept secret in the Kingdom.
4. SPONSOR A FIREFIGHTER: Our third annual "Explore the Evidence" golf event will honor first responders and firefighters. Join us at Dahlgren Golf Club on Friday, September 12 (9/11/01 Memorial Week). We are praying that we can bring the Gospel with Evidence to Fire Department Chaplains in the Twin Cities.

You expressed interest in FaithSearch at a past event, and we desire to serve you and to hear from you. Your courageous step of faith indicates that you value God's Word and our evidence-based presentations. Can we count on you to help with one of our upcoming special projects? I look forward to hearing from you soon.

This year's golf event will honor firefighters and first responders, who race into the unknown to protect us.

With thankfulness for your trust,
